HANDICAP SELECTIONS 1-8-7

DAILY DOUBLE RULES EXPLANATION

Daily Double selections must be made and the ticket, for both selections, purchased prior to the closing of this pool before the running of the first half of the Daily Double.

The wagered money will comprise an entirely separate pool. The Daily Double is not a parlay. In all cases the play is on the winning (straight) horses only, the pool being divided among the holders of tickets on the winner of both the first half and the second half of the Daily Double.

Should no tickets be sold on the winner of the first half of the Daily Double, those holding tickets on the horse finishing nearest the winner shall be considered as holding winning tickets on the first half and shall be treated in the same manner as had the horse placed first, should there be no tickets exchanged on the winner of the second half, the pool shall be divided among those holding winning tickets on the first half of the Daily Double, coupled with the horse finishing nearest the winner in the second half of the Daily Double.

Entries and Fields are coupled. In the event that part of an entry or field is scratched and there is one starter from the entry or field there shall be no refund.

If for any reason the first race of a Daily Double is cancelled, declared off or declared "no contest," a full and complete refund of the Daily Double pool will be made. Should the second race of a Daily Double be cancelled, declared off or declared "no contest," after the running of the first race on which Daily Double tickets have been sold, the Daily Double pool shall be calculated as a Straight pool and divided among those holding tickets on the winner of the first half of the Daily Double.

There shall be a refund of Daily Double wagers in the event of a horse, provided such horse is not part of an entry nor one of the mutual field, being excused from running before the first race of the Daily Double. This refund to apply only to wagers on the excused horse.

Should a horse be excused from starting in the second race of the Daily Double, all Daily Double tickets on such horse, coupled with the winner of the first half of the Daily Double, shall be refunded and the amount of such refund deducted from the pool.

In the event of a refund being necessary, due to a horse being locked in the starting gate in the first half of the Daily Double, such horse will be considered in the same manner as that of an excused horse and the Mutual Pay-off will be governed by the above last two rules.

Positively no exchange of tickets after the purchaser thereof has left the sales window.

The pay-off shall be posted, all circumstances permitting, after the pool closes and before the race completing the Daily Double has been run, except that in the event of a dead heat in the first half of the Daily Double the posting of the pay-off will be deferred until the race completing the Daily Double has been run. In the event of a dead heat in the second half of the Daily Double the pay-offs as posted are void and new prices will be calculated and the winning prices subsequently reposted. This will also apply in the event of a scratched horse in the second half.

SEE BACK COVER FOR EXPLANATION OF PAST PERFORMANCES

In the past performances the type of race the horse ran in is shown after the track conditions in the following manner: Stks is for sweepstakes, Hdcp for handicap, Allw for allowance race, Mdns for maidens or non-winners. When the horse is a starter in an optional claiming race and is entered not to be claimed it is shown as *1000, or whatever claiming price prevails. When a price alone is shown it is to tell the amount the horse could have been claimed for in the race.

Please be sure that the number on your "Tote" ticket corresponds with the number on the programme. Mistakes CANNOT be rectified after leaving window.

Rulings of the Stewards with regard to the award of purse money, made after the result has been declared official, shall in no way affect the mutuel payoff.

DO NOT DESTROY TICKETS UNTIL RESULTS HAVE BEEN DECLARED OFFICIAL. No claim will be recognized for tickets thrown away or destroyed. Claims may be filed for torn or mutilated tickets which will be paid if approved. All claims should be made at the Information Wicket within 30 minutes after the race is run.

The management is not responsible for incomplete transactions after the "Tote" machines are locked.

Pari-mutuel ticket sellers will be enabled to serve patrons more readily if "Tote" tickets are called for by programme number.

"QUINELLA" RULES

The "QUINELLA" is a separate pool on the LAST RACE ONLY. The player attempts to name the two horses in the last race that finish first and second; not necessarily in the order in which they finish—just the two horses that fill the first and second places, however they finish. Should there be no tickets sold on the winning combination, the pool is to be divided among holders of tickets on the nearest combination. Should there be a dead-heat for first place in the race on which the "Quinella" feature is operated, and the heat is not run off, the pool is to be divided among holders of tickets on the two horses finishing first.

Should there be a dead-heat for second place in the race on which the "Quinella" feature is operated, and the heat is not run off, the pool is to be calculated as a place pool, and divided among holders of tickets on the two winning combinations. (That is—the tickets which bear the number of the winning horse with that of either of the horses which dead-heat for second place).

Do not destroy your "QUINELLA" tickets until the official result is posted.

HOW TO READ THE PAST PERFORMANCE

For the convenience of the public the last six races of the horses are enumerated under their respective names, the most recent race at the top. The heading of a past performance on any given race is as follows:

FLAK'S FIRST

Date	Course	Dist	Time	Tk	Price	Odds	Wt	St	%	Str	Fin	Jock	P.P.	Starters	Order of Finish and Weights
Sp 7	Cex	ab1½	1:51½ fast	Hdcp	G6	112	1	3	2½	1nd	Arnold?	8	Dr. Pat 116	Trial Boy 108,	Rowbell's

This simply means that on Sept. 7 at Calgary Exhibition track: over the about one mile and one-eighth distance, time 1:51½ on a fast track, it was a Handicap race, starting at odds of 6½-to-1, carrying 112 lbs., was first at the start, third at the three-quarters mile, second entering the stretch, three-quarters of a length behind the leader and then first at the finish winning by a neck. Arnold? was riding, Flak's First started from the number seven post position, 8 horses were in the race. Dr. Pat 116 was second, Trial Boy 108 third and Rowbell's fourth.

Odds as listed are entirely approximate and while near enough for the purpose of reference are of no value for any form of wagering.
